BEWARE! Conmen target KIADB compensation

Rs. 1.14 crore siphoned off from woman's bank account

Mysuru, Aug. 13 (BCT)- Finding a unique way of cheating a gullible woman after eyeing the Rs. 2.37 crore land compensation paid by Karnataka Industrial Area Development Board (KIADB), conmen have cheated her of Rs. 1.14 crore.

The compensation was credited to the woman's bank account and the fraudsters managed to take money from her account through cheques. After siphoning off the money, the accused threatened to kill the woman for demanding back her money.

A case has been booked against two persons in NR Police Station under IPC Section 506 (criminal intimidation), 34 (common intention criminal act), 406 (criminal breach of trust) and 420 (cheating and dishonesty).

The complaint has been lodged by Bharathi, wife of late Gopalegowda and a resident of Mahadevapura Layout against Ramegowda and Purushotham, residents of the same Layout. She has stated in her complaint that the accused fraudulently withdrew Rs. 1.14 crore with the help of cheques signed by her.

She had issued the signed cheques to the accused to claim compensation for land from KIADB. The Police have registered a case on Aug. 6, 2021 and are investigating.

CASE BACKGROUND

In her complaint, Bharathi has stated that her husband Gopalegowda was working in Heritage Golf Private Limited Club Company at Yadavagiri. He had sold his 5-acre land at Kochanahalli in Varuna Hobli to open a Golf Club. Later, the KIADB acquired the land for industrial purposes.

Gopalegowda passed away on Jan. 26, 2011 and KIADB had issued a notice to his family on the compensation to the acquired land and had sought documents of land ownership and other details. As the land was already sold to the Heritage Golf Club, the Club must rightfully get the compensation amount too.

As Bharathi was not aware of the procedures involved in the compensation process, she approached Ramegowda and Purushotham who were known to the Golf Club Manager. The duo agreed to transfer the compensation amount to the Club and also assist Bharathi in the process.

EDITOR'S BOTTOMLINE

With the Indian economy still grappling with the ongoing crisis, it remains to be seen what could give an immediate push to the businesses that are struggling to survive whilst maintaining and even further generating employment. The Make in India policies will perhaps become a catalyst in this. It is also important to take note of the sectoral impact and create targeted policies, especially where the big industries could make arrangements to extend financial and strategic support to the MSMEs.

Under the various Government schemes such as the Aatma Nirbhar Package and Credit Guarantee Fund Trust for Micro and Small Enterprises under UDAAN, the Government is carrying out its function in phases. The hospitality industry in India is one of the sectors hit most severely, so much so that even the big players are shutting down their operations. Consequently, a set of targeted measures towards this sector would not only be necessary but are also required to be taken promptly. This is extremely difficult till the time there are high numbers of COVID-19 cases.

This College trains costliest nannies

England: For over 120 years, England's Norland College has been known as the most prestigious nanny-training school in the world, with graduates landing jobs with wealthy families and earning upwards of $100,000 per year.

Founded in the late 1800s by Emily Ward, who realized that there was no official child-care training at the time, Norland College soon became the most renowned nanny-training school on Earth, with clients including Royal families and wealthy couples looking for the best service money could by. And indeed, Norland-trained nannies are nothing if not expensive, with some graduates earning as much as $170,000 per year and even students raking in around 40,000 working during their elite training. That's more than four times the average salary of a nanny in UK, but somewhat justified by the unique curriculum taught at Norland.

Rail enthusiasts get married on train

London: A rail-crazy couple have tied the knot in their "dream" place - onboard a train. Laura Dale and Jane Magnet travelled on the West Coast Main Line when they first met, so winning a competition to have their wedding on a train was a "dream come true".

The newlyweds, from Surrey, beat 150 other entries for the opportunity to say "I do" on an Avanti West Coast service.

They had hoped to get married nearly two years ago but were delayed by a combination of the COVID-19 pandemic, finances and logistics.

After gathering for a champagne reception at London Euston, the pair and 18 guests boarded a Pendolino carriage decorated with flowers.

REALLY...?

- *The word "pencil" comes from the Old French word "pincel" which means "a small paintbrush". Around 2,500 pencils can be made from one average tree.*
- *John Steinbeck and Ernest Hemingway were known to be big fans of the pencil. Hemingway would use a typewriter to compose letters but used a pencil for his serious work.*
- *Before erasers, people would use lumps of bread to erase their mistakes. As you can imagine these "erasers" weren't very efficient since they were supseptible, like all bread, to mold and rot.*
- *The eraser wasn't added to the pencil until March 30, 1858.*
- *There are generally 3 assorted hexagonal pencil grades — hard, medium, and soft. Unleash tea artist in you by using charcoal pencils.*

LAUGHTER THE BEST MEDICINE

Q: Why shouldn't you write with a broken pencil?

A: Because it's pointless !

Q: Why do people say "break a leg" when you go on stage?

A: Because every play has a cast!!

MUDA to construct Multi-floor Housing Complexes at three places

Goes vertical to ease housing problems in city

By S.T. Ravikumar

Mysuru, Aug. 13 - Taking a major step for the implementation of its ambitious affordable Group Housing Scheme, the Mysuru Urban Development Authority (MUDA) has prepared the DPR (Detailed Project Report) for the scheme.

The DPR comes years after MUDA announced its plans for Multi-floor Housing Complexes as part of its Vertical Group Housing Scheme, aimed at allotment of houses to beneficiaries at an affordable price. The MUDA has attributed the delay in the preparation of DPR due to issues concerning allotment of houses to eligible beneficiaries, stipulation of price and formulation of other guidelines.

But a year after he took over as MUDA Chairman, H.V. Rajeev has drawn up plans for implementation of affordable Group Housing Scheme by constructing a total of 1,960 houses (units) at three places across the city, which include 560 houses (2 blocks of 14 floors each) in a four-acre area along the Ring Road in Vijayanagar Second Stage, 392 houses in 3.7- acre area in Dattagalli and 1,008 houses at Sathagalli.

As per the plan, the Housing Project at Vijayanagar Second Stage, will have 560 houses (units), each having two bed rooms, built in three blocks, the one at Dattagalli will have two blocks of houses, with each house having two bed rooms and the one at Sathagalli will have three blocks of houses having a single bed room each. All the blocks will have 14 floors each.

Minister S.T. Somashekar (third from right), MUDA Chairman H.V. Rajeev (second from left), MUDA Commissioner Dr. D.B. Natesh (extreme left) and officials inspecting a BDA apartment complex in Bengaluru on Dec. 4, 2020.

The total cost of the Project is estimated at Rs. 453 crore. The approximate cost of a house (2-bedroom) in Type-1 block in Vijayanagar is Rs. 29.94 lakh and that of the house in Type-2 block is Rs. 32.91 lakh. The provisional cost of a house (unit) in both the type of blocks at Dattagalli is Rs. 33.80 lakh and a house (single bed room) in all three blocks at Sathagalli is Rs. 14.83 lakh.

A private consultancy firm has prepared the DPR as per MUDA's design, according to which the total cost of the Housing Project, taking a collective account of 8 blocks of 14 floors each at three places, is Rs. 453 crore.

The highlight of this Vertical Group Housing Scheme is that each block will have two staircases having spaced steps, two lifts, a basement where vehicles can be parked, an STP (Sewage Treatment Plant) and open spaces.

The DPR is prepared as per the design of Apartment Complexes built by renowned private developers and will be discussed in depth at MUDA's meeting today (Aug.13), following which it will be sent to Government for approval. MUDA is taking up this ambitious project on a no-profit, no-loss basis.

Soon after the Government gives green signal for the project, the MUDA plans to execute the project in two years. It has also proposed to start the process for allotment of houses and seek payments from allottees towards the cost of the house in three instalments — at the basement level, lintel level and before handing over possession.

Soon after the allotment, the allottees can approach the banks for loans. The Banks can sanction upto 70 percent of the house cost depending upon the loanee's financial capability to repay loan instalments. This apart, there are chances of the allottees getting some sort of subsidy from the Government. With huge demand for this dream project, the MUDA hopes to sell all houses within no time.

Meanwhile, MUDA Commissioner Dr. D.B. Natesh said that there is a big demand for houses under Group Housing Scheme as found out from a demand survey conducted a couple of years ago.

Maintaining that MUDA hopes to ease the pressure on it for site allocation with the execution of this Group Housing Scheme, which is getting popular by the day in other big cities like Bengaluru because of affordable prices, he contended that the project will be completed within a set time-frame.

Stoppage of monthly pension, other issues pour in at specially-abled grievances meet

Mysuru, Aug. 13 (PM&KS)- Stopping of monthly pension to about 90 percent of specially-abled community people since about six months and other issues were aired before Deputy Commissioner (DC) Dr. Bagadi Gautham at the grievances meet organised for specially-abled persons at the ZP Hall here on Tuesday.

Dilip Kumar, a specially-abled person said that nearly 90 percent of specially-abled people were not receiving their monthly pension since six months to which Mysuru District Disabled Welfare Officer R. Malini informed that there were 33,000 disabled persons in the district and added that apart from 716 persons, monthly pension under the Social Security Schemes has been given till the month of June to the remaining persons.

Pointing out that 716 persons may have not linked their Aadhaar number to their bank account or their bank account may have been stopped, she said that due to such problems they may have not received their pension. But Dilip Kumar said that it was not just 716 persons but nearly 90 percent of people have not received their monthly pension.

Deputy Commissioner Dr. Bagadi Gautham and ZP CEO A.M. Yogesh at the grievances meet in city on Tuesday.

The DC, who gave a patient hearing, instructed Malini to review the monthly pension list so that everyone receives the pension besides asking her to produce the list of beneficiaries.

Specially-abled persons urged to publish the list of names and phone numbers of volunteers at the District Disabled Rehabilitation Centre which would be helpful for them. To this, the DC instructed the District Disabled Rehabilitation Centre Nodal Officer Arjun to publish the names and phone numbers of all officers.

Dilip also complained that the five percent grant reserved at MCC to provide three-wheelers to disabled persons was not being used since two years and added that applications submitted for loans and vehicles were still pending. He urged the DC to instruct MCC officials to put up a board containing the schemes and facilities available for the specially-abled persons.

Giving their reply to the above, MCC officials said that documents pertaining to loans have been sent to banks to which the DC said just sending documents was not enough and instructed them to follow up its status.

Meanwhile, another specially-abled person Prabhuswamy urged the DC to instruct MCC officials not to shift petty shops of specially-abled persons to food zones if such shops were not creating problems to the public.

The DC said that he would discuss with the MCC Commissioner in this regard. Zilla Panchayat (ZP) CEO A.M. Yogesh and other officials were present at the meet.

VOICE OF THE READER

Tax on vacant land

Will our elected reps and MCC Comr. respond ?

Sir,

This refers to U.B. Acharya's letter titled ***"Is MCC fleecing honest citizens?"*** in *SOM* dated Aug. 3, 2021. The title conveys the unhappiness of a citizen of the city who argues that the Mysuru City Corporation (MCC) has imposed a levy which he feels he has been short-changed and unfair.

He further justifies why he feels so and the lack of wisdom in doing so on the part of the authorities. There are many amongst us who feel the same regarding the steep escalation of house tax which is approximately 65 percent compared to previous year.

Why should the value of an old house increase for purpose of tax when strictly speaking should decrease with age. In the total revised tax payable, vacant land constitutes 33 percent. What is the justification of levying a tax on vacant land?

Let us for a moment assume that there is a justification for all the above. Is not the MCC required to give an explanation when sought for? Does this silence not convey that the MCC can do what it wants and is not answerable to its citizens?

When the MCC did not respond, the elected representatives should have come forward to offer an explanation or set right the wrong doing if any. This indifference both by the statutory authorities and the elected representatives is a shame !

How can senior citizens, who have retired and who live on their limited savings, afford to pay a levy which is unjustifiable? The increase in property values with efflux of time does not proportionately increase one's savings. Let us not forget the value of the rupee is continuously depreciating and people who have no additional support suffer in silence. A situation may soon come when one cannot afford to live in his own house in the urban area and is forced to sell to pay increased levies.

One of the causes of global warming and increased temperatures in urban areas is due to depleting green cover and increase in concrete structures. Buildings, roads, sidewalks, parking lots reflect heat contributing to increased temperatures. There is enough and more studies to prove this.

Instead of encouraging people to leave more open spaces around their homes to grow more trees, people are being punished for doing so.

Interestingly, another letter appearing in *SOM* dated Aug. 7, 2021 under the heading ***"Site owner's woes"*** by Jyothi Poonacha Kodira reveals that MUDA, another statutory authority had charged a fee for clearing a site of debris. The photo appearing with the letter shows that the work was not carried out but a fee was collected.

When asked for a refund, the response by the official concerned was that it being a Government order, no refund was possible!

Policies and rules of a country should encourage citizens become more honest and reward those who comply with it. On the contrary, one is being punished and habitual defaulters go scot-free.

A more effective and transparent tax collection system will not burden a few who pay the dues regularly. Will our City Corporation Commissioner and elected representatives please respond ?

Mysuru-Bengaluru 10-lane Economic Corridor

'90-minute journey from Oct. 2022'

Tweets Minister for Road Transport and Highways Nitin Gadkari

Mysuru, Aug. 13 (BCT)- The construction of 10-lane Mysuru-Bengaluru Economic Corridor is in full swing and photos of the project have been tweeted by Minister for Road Transport and Highways Nitin Gadkari.

Nitin Gadkari

Taking to the micro-blogging site, the Minister gave a glimpse of the project to commuters and said that the Economic Corridor will be completed by October 2022. The corridor comprises a six-lane access-controlled carriageway for traffic to move at a high speed and a two-lane service road on either side for the benefit of local traffic.

"The 10-lane Bengaluru-Mysuru Economic Corridor is being constructed at record speed. The Rs. 8,172-crore Economic Corridor is likely to be completed by October 2022. It will reduce the travel time between the two cities from the current 3 hours to only 90 minutes," Gadkari tweeted.

The international standard road project between the two cities is being executed under Bharatmala Pariyojana Phase-I, the Minister said. It may be recalled here that on Mar. 24, 2018, Gadkari had laid the foundation stone for the Economic Corridor works and at that time, the mega project had an overall investment estimate of Rs. 10,000 crore. Dilip Buildcon Limited is constructing the Expressway.

The total length of the Expressway is around 117 km and it is being executed under two packages — the first one runs from Bengaluru to Nidaghatta in Maddur taluk and the second one from Nidaghatta to Mysuru. The scope of the work also includes construction of nine major bridges, 44 minor bridges and four road over bridges and road under bridges.

In July this year, senior officers from the National Highways Authority of India (NHAI) had stated that over 80 percent of the first package (Bengaluru to Nidaghatta stretch) and 70 percent of the second package (Nidaghatta to Mysuru stretch) have been completed.

According to officials, a major portion of the works involved is Cauvery water pipeline works from Srirangapatna to Bengaluru where the Karnataka Urban Water Supply and Drainage Board (KUWS&DB) has to do the works of shifting parts of the underground water pipeline to facilitate the work.

Conmen target KIADB compensation

(Continued from page 3)

After obtaining documents from Bharathi, they asked her to open an account at N.R. Mohalla branch of South Indian Bank and had taken her signatures on blank cheque leaves and told her that the cheques were required for the RTGS money transfer.

Rs. 2,37,50,000 compensation

Trusting them, Bharathi signed on blank cheques and issued the same to Ramegowda and Purushotham. On July 23, 2020, the duo took Bharathi to the KIADB Office and asked officers to transfer the compensation amount of Rs. 2,37,50,000 through RTGS to her bank account after establishing her identity.

Checking the documents and credentials, the KIADB officials suspected no foul play and transferred the money as Bharathi was the owner of the property. After the money was credited, Bharathi was accordingly informed by the two accused.

As the compensation actually belonged to the Golf Club, the lady asked the duo to transfer the money to the Club. Both Ramegowda and Purushotham assured Bharathi that the money would eventually be transferred to the Golf Club. But on Apr. 6 last year, when the lady approached the bank she realised that Rs. 1.10 crore was transferred to the Golf Club.

Account statement reveals fraud

Suspicious, Bharathi asked the bank officials to provide her the account statement where she discovered that Rs. 1.14 crore has been siphoned off through the nine cheques she had issued to Ramegowda and Purushotham.

To her dismay, she found out that the accused had directly withdrawn Rs. 45 lakh and had transferred the rest of the money to the accounts of Prashanth, Lokesh, Komala, Santhosh, Eeregowda and Mahesh thrice through RTGS. A shocked Bharathi then confronted Ramegowda and Purushotham and demanded the money be returned.

Her complaint stated that the duo had threatened to kill her if she again asked for the money.

Suspecting a deep-rooted conspiracy, the Narasimharaja (NR) Police are making a detailed inquiry into the case to ascertain if there is involvement of others in the cheating racket.

Stricter weekend curfew to begin at 9 tonight

Mysuru, Aug.13 (MTY&DM)- With COVID cases on a rise in the past couple of days, the District Administration, based on the State Government directions, has ordered a 56-hour weekend curfew in city and district, starting from 9 pm today till 5 am on Monday (Aug.16). This is the second weekend curfew to be enforced in the district this month.

Earlier this month, the Basavaraj Bommai Government, as a measure to check the spread of the virus from people entering Karnataka from neighbouring States, had ordered weekend curfew till Aug.16 in eight border districts of the State, which included Mysuru, Chamarajanagar, Kodagu and Dakshina Kannada Districts in South Karnataka that border Kerala and Northern districts of Belagavi, Vijayapura, Kalaburagi and Bidar, that share borders with Maharashtra.

Following the directive, the District Administration had enforced weekend curfew last week too. During this weekend curfew, provision stores, shops selling groceries, essential articles and service providers are permitted to remain open from 5 am till 2 pm on Aug.14 and 15 (Saturday and Sunday). The District Administration has appealed the people to co-operate and not to unnecessarily venture out of their homes.

With the District Administration ordering enforcement of second weekend curfew starting tonight, City Police Commissioner Dr.Chandragupta told *Star of Mysore* that the Police will implement the weekend curfew in more stricter terms.

Pointing out that barricades will be erected at more than 70 spots on all roads leading into and out of the city and prominent roads in all extensions of the city, he said that a large posse of Policemen will be deployed to check unnecessary public and vehicular movement on roads and other public spaces.

Maintaining that the curfew is being enforced in accordance with the set of Government guidelines, Dr. Chandragupta sought the co-operation of the public for the measures that have been taken to prevent the spread of the deadly pandemic.

Noting that essential shops and services will be allowed to open from 5 am to 2 pm on Saturday and Sunday, he said that the residents must co-operate by buying their essentials at shops closeby their homes or within the locality where they stay.

Asserting that all necessary measures have been taken to prevent unnecessary movement of people and vehicles during the weekend curfew, he reiterated his appeal to make the curfew a success by voluntarily staying at homes. However, the Police will act sternly against those found violating the restrictions and unnecessarily moving around on one pretext or the other, he added.

Meanwhile, it is not yet known how trade bodies and other stakeholders will react to the second weekend curfew as they had planned to defy the first weekend curfew last week. But the trade bodies and business organisations had withdrawn their plans then following the assurance from Co-operation Minister S.T. Somashekar, who has been put in-charge of COVID-19 and flood relief management in Mysuru and Chamarajanagar districts, that he would take up the issue with the Chief Minister.

But as the District Administration is going ahead with the enforcement of second weekend curfew starting tonight, businessmen and other stakeholders are left wondering on their future course of action as the curfew is bound to hit their businesses hard, at a time when trade and other business activities are just about on the path of recovery.

Devotees flock temples as part of Naga Panchami celebrations

Mysuru, Aug. 13 (RKB&SSV)- Devotees visited temples and offered milk to anthills in city on the occasion of Naga Panchami celebrations.

Since morning, several temples of Lord Shiva, Subramanya and Nag Devta were filled with devotees.

Milk offered to anthills

Special rituals were held as part of the celebrations. The people offered milk and other prasada to anthills.

According to Vedic astrology, the Nag Devta is the resident lord of Panchami Tithi. The serpent which is placed on the neck of Lord Shiva is worshipped by Hindus on this day.

According to Hindu mythology, worshipping Lord Shiva along with Nag Devta removes all troubles from one's life.

Govt. bans gatherings and public celebration of festivals

Bengaluru, Aug.13- As COVID-19 cases are seeing an upward trend once again in some districts, the State Government considering that many festivals fall in the months of August, September and October, has ordered a ban on large-scale social, political, religious and cultural congregation of people, as a precautionary and safety measure to check the spread of the deadly pandemic.

A string of festivals, including Muharram, Krishna Janmashtami, Ganesh Chaturthi and Durga Puja are celebrated in these months. Following the surge in COVID cases, the State Government has directed the district authorities to decide on enforcing restrictions locally on the festival days. In a fresh set of guidelines issued on Thursday, the Government said that no public celebration of festivals or mass gatherings would be permitted in the State during the festive season.

The order issued by Principal Secretary, Revenue Department, Tushar Girinath, said places of worship such as temples, mosques and churches would be allowed to open by strictly adhering to COVID-19 appropriate behaviour. But taking out processions, annual jatras and holding public meetings have been completely banned.

The order listed out elaborate restrictions on the celebration of Muharram and Gowri-Ganesha festivals and banned all kinds of processions associated with both festivals. It said that prayers should be held at Masjids by strictly adhering to COVID-19 appropriate behaviour. Also installation of Alams during Muharram in public places has been banned. All those aged 60 and above and children aged 10 and below should offer prayers at home. Mass prayers have been banned at community halls, Shaadi Mahals and other public places during Muharram.

Similarly, the order has banned public celebration of Ganesha festival. Setting up pandals along roads, in playgrounds and other public or open spaces is banned. People must celebrate the festival in their homes and no procession or gathering will be allowed while bringing Ganesha idols or during immersion of the idols. Also, all Ganesha Temples must be sanitised every day and devotees visiting temples must undergo thermal screening and use hand sanitisers.

Wearing of face mask and maintenance of physical distancing is mandatory at temples, masjids and other religious places during the festival celebrations.

Entry of devotees to Chamundi Hill Temple banned

Mysuru, Aug.13- As a measure to check the spread of COVID-19 pandemic, the district administration has banned the entry of devotees to Chamundeshwari Temple atop Chamundi Hill on Aug.13 and 20, both being a Friday.

In a press release, Deputy Commissioner Dr. Bagadi Gautham said that the entry of devotees has been banned for the whole day on Aug.13 and 20 and after 6 pm on other days. However, the customary rituals can take place inside the temple in the presence of priests, officials and temple staff. VIPs and other officials on protocol duty of the Government, residents of Chamundi Hill and emergency service vehicles will be allowed to Chamundi hill during the banned days.

The residents of Chamundi Hill must produce their identity card for movement on vehicles on fully banned days and during the banned period on other days. VIPs and other officials on Government protocol, residents of Chamundi Hill and others concerned with rituals can take part in the customary temple rituals with all COVID measures in place and adherence to COVID-19 appropriate behaviour. The doors of the temple must be shut after the completion of customary rituals and *Mangalaarati*, the press release added.

Prohibitory orders around Vontikoppal Temple

As a COVID-19 precautionary and safety measure, City Police Commissioner Dr. Chandragupta has issued prohibitory orders around 200 Mts. radius of Sri Lakshmi Venkataramanswamy Temple on KRS road in Vontikoppal on *Shravana Masa* special days, under section 144 of CrPC, as the temple is expected to witness a huge rush.

The prohibitory orders is from Aug.13 to 15, Aug. 20 to 22, Aug. 27 to 29 and from Sept. 3 to 5.

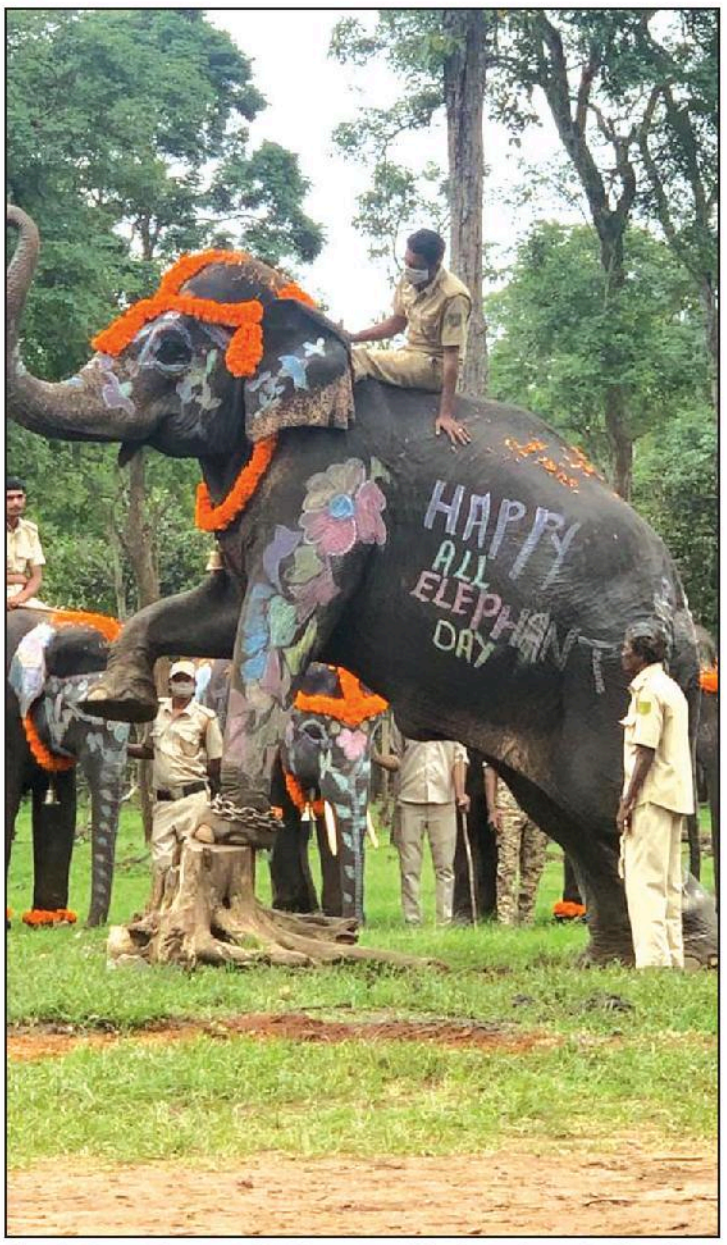
World Elephant Day celebrated

Two elephants in a playful mood at Mysuru Zoo yesterday.



An elephant decorated at Rampura Elephant Camp in Bandipur.

Mysuru/Kodagu, Aug. 13- World Elephant Day was celebrated at the elephant camps in Kodagu and Chamarajanagar districts and at Mysuru Zoo yesterday.

World Elephant Day was launched on Aug. 12, 2012 to raise awareness about the issues threatening elephants. Shrinking habitats and illegal poaching for the trade of elephant ivory are just two of the most serious issues that the elephant population faces today. World Elephant Day is a way to raise awareness and rally support for these issues.

Dubare Elephant Camp

The day was celebrated at Dubare Elephant Camp at Kodagu in a simple manner by following COVID guidelines and performing puja to the elephants.

All the elephants were bathed in River Cauvery by Mahouts and Kavadis and were later decorated with flowers and garlands. The elephants were led near Basaveshwara Temple in the camp, where Somwarpet Sub-Division Assistant Conservator of Forests (ACF) K.A. Nehru, Kushalnagar Range Forest Officer (RFO) J. Ananya Kumar and Dubare Deputy Range Forest Officer (DRFO) K.P. Ranjan and staff performed puja to the elephants. The elephants were fed with sugarcane, jaggery and banana by the Mahouts and Kavadis.

Speaking on the occasion, RFO Ananya Kumar said that World Elephant Day is being celebrated on Aug. 12 every year at the camp during which various games were being held for the elephants. But due to COVID pandemic, games were not organised since two years and instead, puja is being performed to them at a simple function, he added.

Grocery kits were distributed to the families of Mahouts and Kavadis at a simple event organised at the Travellers' Bungalow premises on the occasion.

Mathigodu Elephant Camp

World Elephant Day was celebrated at Mathigodu Elephant Camp in Anechowkur Range in Kodagu, where Golden Howdah carrying elephant Abhimanyu is housed. Apart from Abhimanyu, other elephants, namely, Surya, Varalakshmi, Bhuvaneshwari, Chamundeshwari, Bheema, Gopalaswamy, Sarala, Mahendra, Sriranga, Bheem from Maharashtra, Ramaiah, Manikanta, Krishna, Somashekar, Masti, Dhruva, Ravi, Kyatha, Ganesh, Balarama, Ashoka and other elephants are also housed here.

All the elephants were given bath at Kantapura Lake and were decorated for the occasion. The elephants were treated with sumptuous food and the guests too fed these gentle giants with fruits and jaggery.

Kodagu Deputy Commissioner (DC) Charulata Somal, speaking on the occasion said that it is happy that elephants too have their day and added that the Forest Officials and staff were working honestly to prevent man-elephant conflicts, which are on the rise.

Pointing out that animals too have the right to live like humans, the DC said that human beings should give importance for forest and wildlife conservation as forest and wildlife play an important role in the ecology.

Nagarahole Project Tiger Director D. Mahesh Kumar, who too spoke, explained about the significance of Elephant Day and felicitated Ganesh, Mahout of Ashwathama and J.K. Ravi, Kavadi of Varalakshmi.

Games were organised for Mahouts and Kavadis, while their children took part in painting, clay modelling and cultural competitions. Prizes were given away to the winners. Keeping in mind the online classes being held now, a tablet was given to a PU girl student, while books, pens and other stationary items were given to students studying in Primary and Higher Primary Schools.

Kodagu Superintendent of Police (SP) Kshama Mishra, ACF Satish, RFO Kiran, ATPF staff, family members of Mahouts and Kavadis were present.

Bandipur

Bandipur Tiger Reserve Forest officials had organised a webinar to mark World Elephant Day yesterday. Retired PCCF Ajay Mishra, APCCF (Wildlife) Subash Malkade, APCCF (Project Tiger) Jagatram, Bandipur Project Tiger Director S.R. Natesha and Prof. Vidya took part in the webinar.

Later, a simple event was held at Rampura Elephant Camp at A.M. Gudi Range in Bandipur in which S.R. Natesha, ACFs Sumeet Kumar, M.S. Ravikumar and K. Paramesh, Wildlife Wardens Krithika Alanahalli and Nanjundaraje Urs, Veterinarian Dr. Wasim Mirza, RFOs and others were present.

Elephant Day was also celebrated at Mysuru Zoo. Zoo Executive Director Ajit Kulkarni and Zoo staff participated.

Loud sound rattles Bebi Betta premises

MSME and Mines Secretary visits quarry sites; seeks report from officials

Mandya, Aug. 13 (Mohan Raj &BCT)- Despite the Mandya District Administration taking stringent measures to curb illegal mining in Bebi Betta Kaval premises and teams being formed to raid unauthorised stone quarries, loud sounds and repeated earth vibrations have rattled residents and villagers of surrounding areas.

Yesterday afternoon, one such loud explosion was heard at 12.45 pm in Pandavapura Taluk and villagers allege that the sound was from a quarry. They debunked the claims of the District Administration that strict action is being taken on mining activities.

In the past too, such sounds have been heard and the earth plate has shaken a couple of times. These activities threaten the safety of Krishna Raja Sagar (KRS) Dam that also stands on the same rocky surface, they said and pointed out that though much heat and dust has been raised over the mining issue, the administration has bowed to pressure from local politicians who have a huge stake in mining.

Yesterday's deafening blasting sound was heard in Honaganahalli, Ragimuddannahalli, Shindabhoganahalli, Chinakurali, Bettahalli, Jagashettahalli, Chandre in Melukote Hobli and surrounding areas. The sound was even heard at Pandavapura town, said villagers.

Due to the impact of the high-intensity blast, the earth vibrated for a few seconds and window panes, metal shelves and kitchen utensils too vibrated, said residents. Some of them even rushed out of their houses.

Elders of Bebi Betta Kaval say that though the District Administration has claimed that it has banned mining in 20-km radius of the KRS Dam following the advice of Karnataka State Natural Disaster Monitoring Centre, mining activities have continued unabated with the blessings of local political leaders. If indeed there is a mining ban, how was the sound heard, they questioned.

They also ridiculed the administration's claims that raids are being conducted at all quarries. "Unfortunately, the raiding teams cannot find gelatine sticks, detonators and wires at quarries. Instead, they are found dumped in fields and are recovered by cowherds. Even if explosives are found, there is no probe as cases are hushed up," said a villager.

Team visits Bebi Betta, Kalenahalli: Meanwhile, Secretary to the Government, (MSME and Mines), Commerce and Industries Department Pankaj Kumar Pandey on Tuesday visited Bebi Betta Kaval in Pandavapura and Kalenahalli near Srirangapatna and examined the extent of mining activities. Mandya DC S. Aswathi was present. They visited crushing units and mining sites that were functioning illegally without requisite permission from the Mines and Geology Department.

The team comprised Tahsildars of all taluks and Revenue and Police Department personnel. Pandey asked the officers to physically survey all the areas from where reports of illegal mining have emerged and submit a report.

After over 40 gelatine sticks, detonators and wires were found near a quarry on Bebi Betta on July 18, on Aug. 8 shepherds found 92 gelatine sticks and other explosives on survey number 24 of Bannangadi village. Bomb disposal squad along with Mines and Geology Department officials collected the explosives.

Full dress rehearsal ahead of 75th I-Day

Only Police, Home Guards to take part in parade; No Scouts & Guides, NCC, NSS

Mysuru, Aug 13 (LNY, MTY & SSV)- A full dress rehearsal was held at the Torchlight Parade Grounds in Bannimantap here this morning ahead of the 75th Independence Day.

Following instructions from the State Government to celebrate the national festival in low-key sans spectators, the District Administration held the full dress rehearsal where only Police and Home Guards participated.

This year, there will be no cultural programmes and march-past by students in the wake of COVID-19 pandemic. The Mounted Police, Karnataka State Reserve Police, City Armed Reserve, City Traffic, Women Police, District Armed Reserve, Police Band and Home Guards participated in the rehearsal. This was done by strictly adhering to COVID protocols.

Only ten contingents will participate in the actual celebrations on Aug. 15 and there will be no participation of Scouts & Guides, NCC, NSS, Seva Dal and school children at the parade, clarified City Police Commissioner Dr. Chandragupta.

As part of rehearsal today, the recorded address by last year's District Minister was played. The Aug. 15 programmes include arrival of guest, unfurling the Tricolour, rendering of National Anthem, offering guard of honour by Parade Commander, inspecting the parade by the chief guest, beginning of march-past, message by the chief guest, releasing Tricolour balloons, boosting the morale of COVID warriors and rendering of the *Naadageethe*.

Competitions online

As all Schools are closed, the Department of Education has sent a circular to all the DDPIs directing them to hold online competitions for children including essay writing, debate and quiz.

The subject of competition must be regarding the history of Indian Independence struggle and the role of martyrs. The event at the School must be attended only by the Head Master, assistant teachers, Chairman and members of SDMC. Later photos of the event can be shared online, the circular said.

NCC celebrates *Azadi Ka Amrit Mahotsav* in city

Mysuru, Aug. 13 (RKB&BCT)- The Armed Forces and different organisations of the Ministry of Defence conducted various events across the country to commemorate the 75th anniversary of India's Independence, being celebrated as 'Azadi Ka Amrit Mahotsav'.

Defence Minister Rajnath Singh formally launched various major events virtually from New Delhi this morning. To coincide with this, Group Headquarters of NCC Directorate Karnataka and Goa in Mysuru organised an event today at Centre of Gandhian Studies at the main entrance of University of Mysore.

The event was marked by a wreath-laying ceremony, speeches by cadets on the freedom struggle, recitation of poems on independence and other patriotic songs. The event was streamed live to New Delhi.

The event was attended by Group Commander NCC Mysuru Col. V. Srinivas and other officers. Cadets also participated in 'Fit India Freedom Run'.

Singing National Anthem:

As part of the 'Azadi Ka Amrit Mahotsav' the Union Government has launched a website *rashtragaan.in* where students can upload their 'individual rendering' of the National Anthem.

All the videos shared by students will be compiled into a single video and will be played live on Independence Day. Selected participants may also get a chance to feature in a new song by one of India's leading lyricists and composers.

The Top 100 videos will be selected for the song to be launched on TV, Radio, YouTube and Social Media platforms. The official YouTube page of MyGov India shared a video titled 'Let Us Sing The National Anthem', giving step-by-step instructions on how to participate.

Minister Somashekar to unfurl National Flag at Torchlight Parade Grounds

Mysuru, Aug. 13- The District Administration will be celebrating the 75th Independence Day at Torchlight Parade Grounds in Bannimantap here on Aug. 15.

Tricolour sales drop; traders worried

Like everything else, pandemic takes a toll on Independence Day shopping

Tricolour being displayed at 'Khadi India' on Dhanvanthri Road.

By R. Amanda Fernandez

Mysuru, Aug. 13- Independence Day celebrations in India are incomplete without flag hoisting, people holding the Tricolour or sporting them on vehicles, office desks and even pinning them onto their clothing.

This year the COVID-19 pandemic has started a new and innovative trend of Tricolour face masks ahead of the 75th I-Day on Aug. 15. This has led to stiff opposition on social media as after the Tricolour masks are put to use, they end up in gutters like other masks, causing an insult to the National Flag.

Amidst all this, the sale of flags has dropped in Mysuru. Last year the sale was better as the first wave of pandemic reached its peak only in September-October. Over 80 percent of business has been hit since the last two years, the traders rued.

This year, however, the killer second wave is not yet over and there is an imminent threat of a third wave. Moreover, Schools and Colleges being still closed have also impacted the sale of flags and products related to I-Day celebrations like flags of different sizes, T-shirts, head gear, wrist bands, etc., say traders.

'Khadi India' on Dhanvanthri Road, a Government of India enterprise, sells Khadi outfits and flags. The outlet has been reporting a sharp decline in flag sales since last year. "There is no significant improvement this year too," Mallikarjuna, who runs the shop, told *Star of Mysore*.

He said though the outlet offered discounts on Khadi garments to attract customers, it has not enthused the buyers. The shop has another branch at Ballal Circle and here too the same situation prevails. Still, people who manage the shops are optimistic that the sales will pick up on I-Day and a day before.

For the record, the only authorised unit in the country which manufactures and supplies authentic National Flags made of cloth is the Karnataka Khadi and Gramodyoga Samyukta Sangha (Federation) located at Bengeri village in Dharwad district.

This year, traders have not got any orders from offices and institutions that normally buy cloth flags in bulk. During previous years, institutions, hotels and hospitals would buy merchandise to decorate their premises but this year one can hardly expect them, said a trader.

Fancy stores selling small flags and other Tricolour products are in a worse condition than the Khadi stores as these stores only sell small daily use products, which is supplemented by flag sales during the Independence and Republic Day.

As it is the 75th I-Day, some fancy stores have invested heavily to procure goods that symbolise India's freedom struggle. Sujeet, who runs a fancy store on Vinoba Road, says that there has been no sale of flags and other Tricolour products.

"School children were our regular customers, buying flags, Tricolour ribbons, hair bands, etc. Now with Schools shut down, I have not seen a single student at my store. Auto drivers also used to buy flags to adorn their vehicles but nowadays this has also been in decline," he said.

Like everything else, the pandemic has taken a toll on the Independence Day shopping too. It has affected economies worldwide and the manufacturing sector has been trampled. The young and the old crowding in front of shops decked up with Tricolour flags and other paraphernalia ahead of I-Day is not a scene that is commonly witnessed in a COVID world.

WORD OF THE DAY

Nimrod

Pronunciation: NIM-rahd.
Meaning: Hunter; idiot, jerk.
Origin: The word nimrod gets its start in the Bible: Nimrod was king of a country known as Shinar, and he's described in Genesis as "the first on earth to be a mighty man" and "a mighty hunter before the Lord." English speakers of the 16th century didn't think Nimrod was particularly benevolent; they used his name as a synonym of tyrant—a meaning that is now obsolete. In the 17th century, English speakers began using nimrod as a generic term for any hunter. That meaning is not especially common today but it's still encountered occasionally, especially in hunting and fishing journalism. The legendary Nimrod is also sometimes associated with the attempt to build "the tower of Babel," which resulted in the wrath of the Lord, proved a disastrous idea, and gave nimrod yet another meaning: "a stupid person."
Example: "The hunting season is now in full blast. Several nimrods, both veteran and amateur, are shouldering the gun and marching to the woods and marshes." — Gary Pullano, The Holland (Michigan) Sentinel, 13 Dec. 2015.

THE ODD WORD

Narquois

Mocking; malicious.

PHRASE OF THE DAY

Name and shame

Meaning: The publication of the identity of a person or group that is culpable in some anti-social act in order to shame them into remorse.
Origin: The phrase has been known since the late 19th century as a noun phrase; for example, this piece from the Pennsylvania newspaper *The Warren Ledger,* October 1884: "None are willing to father the name and shame of being beer or whisky men." It began to be used in the 1990s as a verb phrase, following an initiative by the UK Government. On Oct 8, 1996 *The Independent* (London) reported that: "The Home Secretary [Conservative minister Michael Howard] is also expected to suggest a scheme to 'name and shame' young offenders by giving courts the power to remove the automatic anonymity for under-18s."

QUOTE BOX

Curiosity about life in all of its aspects, I think, is still the secret of great creative people. — **Leo Burnett**

Malabar Gold & Diamonds kicks off Brides of India-2021 campaign

Mysuru, Aug. 13- Malabar Gold & Diamonds, one of the largest gold and diamond retail chains in the world, has kicked off the 9th edition of its Brides of India campaign with a special wedding theme song titled *#MakeWayForTheBride* which depicts the grand entry of brides, the hallmark of modern-day Indian weddings.

The wedding anthem, released in an aesthetically shot 3-minute video that has already garnered two million views on social media platforms within the first 48 hours, features celebrity Brand Ambassadors of Malabar Gold & Diamonds, Anil Kapoor and Kareena Kapoor along with brides from diverse regions of the country.

Celebrity Brand Ambassadors of Malabar Gold & Diamonds Anil Kapoor and Kareena Kapoor.

The Brides of India-2021 wedding anthem has been conceptualised by the creative agency Dentsu India and developed by some of the highly gifted and supremely talented professionals from the world of celluloid. Directed by Kookie Gulati, who has also directed movies such as the Abhishek Bachchan-starrer *The Big Bull*, the anthem also boasts of Amit Roy, who was Director of Photography (DoP) for *Love Aaj Kal* as DoP, *Piku*-fame Anupam Roy as music composer and *Vicky Donor*-fame writer Juhi Chaturvedi as lyricist.

The shorter versions of the wedding anthem will be played on television channels and OTT platforms as an advertisement. The full version of wedding anthem will be aired on select TV channels and streamed on digital platforms. The campaign will exclusively be streamed on digital platforms in the first week and will be aired on television and occupy print media space afterwards.

The wedding anthem theme song video shows brides from various States such as Kerala, Karnataka, Tamil Nadu, Andhra Pradesh, Telangana, Punjab, Maharashtra, Bengal, etc., entering the wedding arena in the grandest possible manner, thus breaking the stereotypes and conventional practices.

Malabar Group Chairman M.P. Ahammed said, "The Brides of India Campaign is our tribute to the new-age brides and their awe-inspiring individuality. Over the last ten years, Brides of India has played a pivotal role in showcasing our versatility in catering to all bridal jewellery needs from all around the country. The theme of Brides of India-2021 encourages all to make way for the bride. Because this is her moment, it's her big day, and she's here to own it ! She's here to shine and make sure the world knows it. With the launch of Brides of India-2021 campaign, we celebrate the brides who choose to make the big day all about her. With designs that cater to varied sensibilities of new-age brides across regions, there is something unique for every bride to complement her unique entry."
